

Ernest M Pon Memorial Award

Ernest M Pon was an active and dedicated member of NAES who succumbed to leukemia in 1985, after a long struggle against the disease. Ernie exemplified the kind of person who dedicates their life to serving the Asian/Asian American community. Whether working as the NAES Conference photographer or in other roles, his calm and easy going manner made remarkable strides and led to achievements in the areas of bilingual cross-cultural education, counseling and Southeast Asian education. To honor his dedication to the Asian American community, to life in general, and to recognize his determined battle against terminal illness, the NAES Board of Directors established the Ernest M Pon Memorial Fund. This fund recognizes and allocates monies to Asian and Asian American organizations dedicated to human rights and equal justice, as well as furthering research concerning Asians.
